File No. Essen. Supplies II /50 (N)

Gen. 194 CTP

89-B

Legal Department

A revised draft order is sent herewith.

2. It is provided in the L.& H.D. draft at page 28 that no person shall use not only steel but iron also in the erection of a cinema house. But the delegation notification of the Government of India, in the Ministry of Industry and Supply, dated the 25th December 1945 at page 89 ante only refers to the use of Steel. As no powers in respect of iron have been delegated to the Bombay Government it would not be competent for this Government to make the proposed order in relation to iron unless the said powers are delegated to it. The reference to 'iron' has therefore been deleted.

ORDER.

Essential Supplies (Temporary Powers) Act, 1946.

No. 1800/46. In exercise of the powers conferred by section 3 of the Essential Supplies (Temporary Powers) Act, 1946 (XXIV of 1946), read with the Government of India, Ministry of Industry and Supply, Notifications No. 1(1)-I(767), dated the 18th October 1948 and No. 1(1)-I(20), dated the 25th December 1949, the Government of Bombay is pleased to direct that no person shall use steel in the construction of any building intended to be used for the purpose of a cinema, theatre or other place of amusement or entertainment in the State of Bombay except with the written order issued by the Provincial Rationing Officer (Iron and Steel), Bombay, and subject to the conditions prescribed therein.

By order of the Governor of Bombay

Secretary to Government.

MM 5C dt. 20-6-'56.

Legal Department.

A revised draft Order is sent herewith subject to the following remarks.

2. The proposed Order regulates the use of iron or steel in the erection or re-erection of a building intended to be used for the purpose of a cinema etc. The reference to the Government of India notification No.1(1)-I(767), dated the 18th October 1948 which relates only to the steel would not be appropriate and has been omitted. Moreover the Order is not being issued with reference to clauses (h) and (j) of sub-section (2) of section 3 of the Act.

3. In the Labour and Housing Department draft the reference is made in clause (a) of the proviso to the use of nails and screws only. It appears that the articles such as nuts, bolts and rivets, which are the product of iron or steel are also used in the construction of a building. (Please see the Government of India's Department of Industries and Supplies Circualr No. 124, dated the 27th November 1946, printed at page 166 of the Manual of Control Orders wherein the reference to nuts, bolts and rivets is made as falling under the steel processing industries). The proviso has therefore been expanded in general terms. The Labour and Housing Department should verify whether it serves its purpose.

ORDER.

Essential Supplies (Temporary Powers) Act, 1946.

No. 1000/46-E.- In exercise of the powers conferred by section 3 of the Essential Supplies (Temporary Powers)Act, 1946 (XXIV of 1946), read with the Government of India, Ministry of Industry and Supply Notification Nos. I(1)-4(20), dated the 26th December 1949 and No. 1(1)-4(20), dated the 31st January 1950, the Government of Bombay is pleased to make the following Order, namely:-

No person shall use iron or steel in the erection or re-erection of a building intended to be used for the purposes of a cinema, theatre or any other place of amusement at any place in the State of Bombay, except under and in accordance with the conditions of a written permission issued by the Rationing Officer (Iron and Steel), Bombay:

Provided that this Order shall not apply to -

(a) the use of iron or steel for doors, windows and fastenings;

(b) use of iron and steel for repairing a dilapidated part of a bilding used for the purpose of a cinema, theatre or any place of amusement, not involving re-erection of the whole building or, in the case of a storeyed building, of a whole storey.

Contd.

(c) nails, screws, bolts, nuts and rivets and other article required for erection or re-erection of such building.

Explanation-

"Erection or re-erection of a building" in this Order shall include such alterations to, enlargements of, or additions to a building as result in the increase in the existing plinth area or roof area or in the total height of the building.

By order of the Governor of Bombay.

Secretary to Government.
